

Semplice

for Guitar

by

Brendan Colbert

Performance Notes.

Harmonics: diamond notehead = playing position.
circled number = string.

All harmonics are to be allowed to ring on as much as possible.

Accidentals:

Accidentals have been applied to all notes – **if** confusion arises at any point the following should be understood to apply:

- accidentals apply for the whole bar.
- they affect a note only in the particular octave.
- notes tied over the bar carry the accidental for the first note of the new bar.

Semplice was completed in 2004, and premiered by Geoffrey Morris at the Trinity Uniting Church, Brighton on 9/11/2008.
Revised in 2016, it has a duration of approximately 6 minutes.
